Please note that all classes are subject to change due to demand and participation. For your safety, it is recommended you consult your physician prior to starting any exercise program.

**Barre** - Ballet Barre based workouts are the newest trend for toning and shaping the body. Barre classes can be a great way to build up core strength, sculpt the lower body, or just break up a training rut.

**MIX FIT** - No two classes are exactly the same!! Looking to vary the focus of your workout class, then this class is for you! Great for the beginner exerciser and for those looking for a gentler workout class.

**Pilates Plus Yoga** - This is a mind and body conditioning class that combines flexibility, strengthening, and balance in one class! Pilates will strengthen your core, elongate your muscles and increase your overall balance and flexibility.

**Silver Sneaker Classic** - A variety of exercise designed to increase muscular strength, range of motion, and activity for daily living skills.

**Silver Sneaker EnerChi** - This class incorporates tai chi and qigong principles to improve physical and mental well-being. SilverSneakers EnerChi introduces modified tai chi forms. Linking forms together in a guided flow to increase strength and vitality.

**Silver Sneakers Circuit** - Combine fun and fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. A chair is offered for support, head to toe stretching, and complete relaxation in a comfortable position.

**Silver Sneakers Yoga** - YogaStretch will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance, and range of movement.

**Total Body Sculpt** - Maximize your body's fat burning potential by adding strength training to your routine. Burn calories and increase lean muscle mass. Participants are encouraged to lift heavy

**Cardio Fusion** - This class is packed with cardio, (including floor aerobics, step aerobics, zumba, and batuka) weights, core work, and stretching. Perfect for all fitness levels.

**H.I.I.T.** - An exercise strategy that is intended to improve performance with short training sessions. HIIT is a form of cardio which is beneficial to burning fat in a short and intense workout.
