Class Descriptions

UVMC Premier Health Branch

230 W. High St.
PIQUA, OH 45356
(937) 773-9622

Barre - Ballet Barre based workouts are the newest trend for toning and shaping the body. Barre classes can be a great way to build up core strength, sculpt the lower body, or just break up a training rut.

Cardio Fusion - This class is packed with cardio, (including floor aerobics, step aerobics, zumba, and batuka) weights, core work, and stretching. Perfect for all fitness levels.

MIX FIT - No two classes are exactly the same!! Looking to vary the focus of your workout class, then this class is for you! Great for the beginner exerciser and for those looking for a gentler workout class.

Parkinson's Wellness Program - If you have Parkinson's disease, you may find this unique exercise program to be a life-changer, as many have described it. The program is based on evidence that indicates that structured exercise can retrain your mind and body to keep you in control

Pilates Plus Yoga - This is a mind and body conditioning class that combines flexibility, strengthening, and balance in one class! Pilates will strengthen your core, elongate your muscles and increase your overall balance and flexibility.

Total BodyFlex & Strength - Strength training is the foundation for optimizing body composition and health. This class utilizes dumbbells, medicine balls, resistance bands and body-weight exercises to promote total body strength and muscle endurance.

Yoga - The benefits of Yoga include better balance, greater flexibility, improved digestion and circulation, increased physical strength, and reduced stress.

Spin & Sculpt - Cardio, strength & conditioning in one class. Intervals of cycling for aerobic conditioning combined with strength training to build muscle targeting the arms, legs & core.

Y Cycling - Non-impact program integrating music, motivation and a cardiovascular workout!

Kettlebell Conditioning 101 - Kettlebells require whole-body movements that will give you a much more productive workout. By incorporating these useful tools in your workout, you will build strength, prevent injury, and improve aerobic power and overall physical fitness.

Sports Enhancement Class - Class includes plyometric, speed, agility and quickness training for young athletes. Youth will engage in appropriate core and balance exercises as well as a progressive resistance training.

Tabata - A Tabata is a four minute training session which consists of eight intervals of exercises at a very high intensity for 20 seconds and then resting for 10 seconds. The types of exercises will be both cardio and strength training.

H.I.I.T. - An exercise strategy that is intended to improve performance with short training sessions. HIIT is a form of cardio which is beneficial to burning fat in a short and intense workout.

Silver Sneaker Classic - A variety of exercise designed to increase muscular strength, range of motion, and activity for daily living skills.

Silver Sneakers Circuit - Combine fun and fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. A chair is offered for support, head to toe stretching, and complete relaxation in a comfortable position.

Silver Sneakers Yoga - YogaStretch will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance, and range of movement.
